Dear Parents/Guardians,

As many of you are aware, on April 22nd I will be embarking on the challenge of running the London Marathon in order to raise money for the Teenage Cancer Trust, a charity who has supported and continues to support my brother in his battle with Leukaemia.

As part of my fundraising, we are organising a family mud run event at Abbots Farm on Friday April 20th, where the children will take part in an exciting, muddy obstacle run and help to raise money for this wonderful charity by gaining sponsorship from family and friends.

We feel that the event really encompasses our new school values and helps the children understand ways in which people support their families through challenging events and that everyone can help in every little way.

We are eager to make this a family event, so if you fancy putting on a pair of trainers, some sports gear and joining us by running with your child/children, please come along. Please indicate below if you intend to take part.

The event will run as follows:

Year 3 – 9.30

Year 5 – 1.00

Year 4 – 10.30

Year 6 – 2.00

There will be another start time of **11.30** for those who have siblings and wish to run together as a family.

Children will need to bring a spare change of clothes and a towel, as they are likely to get a little wet and muddy throughout the course! There will be a drink and snack provided for the children post run.

Please complete the attached sponsorship form and return during the week beginning 16th April.

Thank you for your continued support and feel free to come and join us on the day!

Kind Regards,

Miss Marshall
