

ABBOTS FARM FAMILY NEWSLETTER

School Open – Tuesday 12th December

Dear Parents/Carers,

Thank you for your understanding and cooperation today regarding both schools being closed due to the weather.

Both AFJ and AFI will be open tomorrow as a result of our site managers' hard work today to ensure that the pathways are clear and accessible.

IMPORTANT SAFETY POINT – This is not the case however for Abbots Way or the surrounding estate (Linnell Road, shops etc). The pathways are incredibly slippery and as such we advise that everyone take extreme caution when making their way to school in the morning.

As such, we are also asking that **NO CARS** make their way down Abbots Way tomorrow as the bottom of the road is not safe for the usual amount of traffic. Please make your drop-offs on Lower Hillmorton Road in a safe place or park up safely and walk to school together.

Should the early morning inspection deem that the freezing temperatures have made the sites unsafe again, we will endeavour to contact you all via our text service before 8am.

We are also advising that any pupils who usually arrive via bikes or scooters to walk to school.

Kidzone (AFJ) – If you are arriving for Kidzone, please **DO NOT** enter the carpark. We are asking that people give a little extra time, park up at the safety of the shops/Lower Hillmorton Road and walk to drop your children off.

Bug Club (AFI) – If you are arriving for Bug Club, please **DO NOT** drive down Abbots Way. We are asking that people give a little extra time, park up at the safety of the shops/Lower Hillmorton Road and walk to drop your children off.

Once again, thank you for your cooperation and stay safe!

Mrs Lovejoy and Mr Andrews
