Dear Parents/Carers,

We are pleased to send you the details of our after-school clubs that will be running this term.

Over the year, the staff volunteer to run various lunch time and after-school clubs for pupils to attend over the year. These run for half or whole terms depending on the activity.

Please note: some of our clubs are run by outside providers and there is a cost associated with them. They usually provide additional letters for you to complete.

Our clubs are always very popular and over-subscribed and some clubs do have limited places. If your child wishes to participate in more than one club, can parents please indicate order of preference on the form below. We will endeavour to ensure that they are all allocated at least one club they have chosen where possible.

If your child is interested in taking part in any of the clubs below, please complete the form and return to school. All children will be informed whether they have a place in the club by the staff leading the club. Staff will write in your child's learning diary if your child has a place in the club.

Excitingly, your child/children will also have the opportunity to work with our two new sports apprentices, **Max** and **Sam**, who will be delivering a variety of lunchtime clubs (timetables and activities to be sent out). They will also be working closely with teachers to deliver PE lessons and then offer after-school clubs.

*****Please note – There will be additional before and after-school clubs/activities offered throughout the year by the school sports partnership*****

As well as extra-curricular clubs, the teachers offer additional home learning clubs at lunchtimes to support children with any projects/tasks they need to complete. We always promote attempting work at home initially, however if your child requires additional support or materials, please suggest they attend one of the clubs.

The dates for home learning are as follows:

Year 3 home learning: Tuesday and Wednesday (in year 3 classrooms)

Year 4 home learning: Thursday and Friday (in year 4 classrooms)

Year 5 home learning: Tuesday and Wednesday (in year 5 classrooms)

Year 6 home learning: Thursday and Friday (in year 6 classrooms)
