Dear Parent or Guardian,

Many thanks for supporting our new Learning Diary initiative again this term; we have continued to be amazed by the wide range of exciting opportunities children are having to extend their learning in many different areas of the curriculum outside of school.

As always, we appreciate your feedback and would like to ask you to complete a short survey to share your views with us about the Learning Diaries and the successes and drawbacks of the scheme so far. The survey can be found by going to the following web address: <https://goo.gl/forms/SqBrOU70Zw4LGvqy2> We will also put this letter onto the school website so that you can click straight through to the link online and send it as a text message so that you can complete the survey on your mobile device if you prefer.

May I also take this opportunity to ask for Learning Diaries to be brought into school **next week** (week beginning 12<sup>th</sup> March) to enable us to collate children's hours and prepare certificates for presentation in assembly during the last week of this term.

Many thanks,

Miss G Clarke
