Dear Parent or Guardian,

We are currently in the process of reviewing and renewing our school website in an effort to make it as useful as possible to everyone that visits it. As always, we appreciate your feedback and would like to ask you to complete a short survey to share your views with us about the current website plus any ideas you have for additions or improvements. The survey can be found by going to the following web address: <https://goo.gl/forms/4KhIOO1aG1fSpDOD3> Please consider submitting a response even if you have not used the website in a while – it is important that we hear your views and your reasons for not using the website as well as knowing what people do use it for. You can also access this survey by clicking the link we will send you via text (which will enable you to easily answer the questions direct from your mobile phone) or by visiting our current school website, where you will find this letter in the ‘recent news’ section on the front page (which will enable you to click the hyperlink above).

Many thanks,

Miss G Clarke
