		Create Development	Provides P.E. resources	To enable pupils to create positive relationships with physical activity for life.
		<p>The children this year have been able to access a wide range of new and established sports thanks to our links with these clubs and governing bodies, raising the importance of physical activity. Many children have benefitted from the structured play (Funzone) at lunchtime run by our Year 6 play leaders and this has had an impact on lunchtime behaviour.</p> <p>We have invested in The 'Real P.E.' approach to P.E. and sport teaching which is skills progression based learning. The level of challenge for the more able children and the self-assessment tools enables the children to take real ownership of their own development. Year 4 and 6 have been trialling it with the rest of the school due to begin it in the summer term 2016. The children thoroughly enjoy the lessons and have gained in self-confidence, teamwork, coordination and spatial awareness skills through the real P.E. approach.</p>
