

Abbots Farm Junior School

## Admissions Policy

Abbots Farm Junior School is an inclusive, happy and welcoming primary school. We are very proud of the linguistic, social, ethnic and cultural diversity of the families that we serve and we take an active role in our community.

Boys and girls will be admitted to school on a full-time basis at age 7 years, without any reference to ability or aptitude, from the “current catchment” area served by the school. The maximum number of new children, at age 7, to be admitted during the school year has been set at **66** by the Department for Education and the school’s Governing Body. Our current published school admission number is **264**

Pupils are admitted to Abbots Farm Junior School through Warwickshire County Local Authority procedures which are applied fairly and equally to all who wish to attend this school.
