Music Lessons 2023

We are able to offer our excellent individual music tuition for Keyboard, Violin and Guitar through peripatetic teachers who deliver lessons during the school day.

Over the year the children take part in 33 lessons at a cost of £5.50 per lesson. A payment of £60 per term will be required to be made online. Please note that some weeks there are no lessons due to individual training days or school events. The children are given advance warning if lessons are not taking place.

If your child is in receipt of Free School Meals please let us know on the form below and based on existing provision for your child we may be able to offer a discount on lessons. Please note that your child will need to practice regularly at home and have to be seen to be making progress to continue to access discounted lessons.

A commitment of a term's lessons is required with half a term's notice in writing to finish lessons.

We have a few spare instruments and a few that may be available to borrow from the individual teachers. Please do not buy an instrument until a place has been confirmed by the music teacher.

If you wish your child to be considered for music lessons please return this form ASAP. Priority will be given to those who undertook lessons last year and places allocated to others thereafter.
