Drum Lessons 2023

We are excited that we are able to offer our excellent individual music tuition for Drums through peripatetic teachers who deliver lessons during the school day.

Over the year the children take part in 33 lessons at a cost of £130 per term for individual lessons or £65 per term for 1:2 lessons. Payment will be required to be made online. Please note that some weeks there are no lessons due to individual training days or school events. The children are given advance warning if lessons are not taking place.

If your child is in receipt of Free School Meals please let us know on the form below and based on existing provision for your child we may be able to offer a discount on lessons.

A commitment of a term's lessons is required with half a term's notice in writing to finish lessons.

If you wish your child to be considered for Drum Lessons in school please return this form ASAP.
