Payments for all school activities (apart from school meals.)

Abbots Farm Junior School is a cash free School.

Our school's management information system **Arbor** allows for both parties to experience a streamlined, cost-effective and efficient payment collection system in a secure and safe environment. Arbor has a parent portal (version of Arbor accessible to guardians on a laptop or computer) and a Parent App for use on mobile devices such as smartphones and tablets. We strongly advise that you use the app version if possible, so you do not miss a notification.

Please read the instructions for using the online payments as detailed below and feel free to contact us if you require any further assistance.

Full details of how to log in for parents can be found here: <https://support.arbor-education.com/hc/en-us/articles/360020147458-Log-into-the-Parent-Portal-and-the-Parent-App#what-is-the-parent-portal--0-0>

We hope to have the system set up and available for new parents/carers to use after the first week back in September.

If you come across any problems with logging on or you would like to query anything showing on your system, please contact the school office in the first instance.
