

A New Adventure in Year 6

My name is [Name], and I am moving into Year 6.

Year 6 is the final year at primary school. It is a time to learn, grow, and enjoy many new opportunities. This is an exciting step in my journey!

In Year 6, I will have a new teacher. Her name is Mrs. Beech.

Mrs. Beech is kind, caring, and helpful. She wants all her students to feel safe and happy in class. It might feel strange at first to have a new teacher, but that's okay. It's normal to feel a little nervous. I can ask Mrs. Beech for help any time I need it.

Our classroom might look a little different, but I will soon get used to it.

There will be new routines to learn, and new places to keep my things. I will learn where everything goes and how things work in Year 6.

There are lots of exciting things to look forward to this year!

Some new opportunities I might get in Year 6 include:

- Being a role model for younger students
- Going on special trips or taking part in fun projects
- Learning new subjects and being given more responsibility
- Preparing for secondary school in a positive way

I will also see some familiar things.

I will still have break times, lunchtime, and time to play with my friends. I will still see familiar teachers and friendly faces around school.

If I ever feel unsure, I can talk to someone I trust.

This could be Mrs. Beech, another teacher, or someone at home. They are all there to support me.

Moving into Year 6 with Mrs. Beech is a new adventure.

I am ready to learn, try new things, and enjoy all the exciting opportunities ahead.
